HELPING YOUR PHILANTHROPY GO FURTHER

You know how gratifying it is to support a worthy cause. What if you could create an enduring legacy through your charitable contributions?

The extent of your deduction depends on the type of asset being contributed, as well as your particular tax situation. Please consult your legal or tax advisor for more information.

Cash contributions

Cash contributions are eligible for a federal income tax deduction of up to 60% of your adjusted gross income (AGI) in the tax year in which the contribution is made. If your contribution exceeds this limit, you may carry the deduction forward up to five years.

Publicly traded securities

For publicly traded securities held for more than one year, the amount of the deduction is the mean value of the high and low prices of the security on the date of the contribution. You may generally deduct up to 30% of your AGI for contributions of appreciated securities held more than one year.

For securities held for one year or less, the deduction is the smaller of the cost basis or FMV on the contribution date. If your contribution exceeds this limit, you can carry the deduction forward up to five years.

MAXIMIZE GIVING THROUGH TAX-SMART STRATEGIES

When you contribute appreciated assets to your Fund, you can deduct their fair market value without incurring any capital gains liability allowing you to give more, at less cost to you.

AN ALTERNATIVE TO A PRIVATE FOUNDATION

Excise tax	None	Typically 2% of the annual net investment income.
Tax deduction limits*	60% of adjusted gross income for cash gifts; 30% of adjusted gross income for stock or real property gifts.	30% of adjusted gross income for cash gifts; 20% of adjusted gross income for stock or real property gifts. Deduction limited to the smaller of cost basis or value for gifts of most appreciated assets.
Required distribution	None	5% annually of the net asset value however, distributions can be made to a donor-advised fund.
Investment options	Separately managed accounts with wide-range of investment options.	Foundation manager chooses investment advisor and has wide-range of investment options.

GETTING STARTED

CREATING A FUND

Opening a 1st Source Bank Donor-Advised Fund (DAF) is easy. Just complete an application and return it to your trust administrator. Contact Wealth Advisory Services by calling (800) 882-6935 if you need help getting started.

Below are some guidelines to assist you:

Designate fund donor(s)

In addition to yourself, you can name additional donors who are joint contributors to the fund.

Name your fund

Choose a name for your charitable giving fund. For example, you may want to name it after your family or have it reflect the charitable goals of the account (for example, "The Smith Family Fund" or "The Smith Scholarship Fund.")

Name fund advisors

You can name one or more individuals as advisors to your fund, who will also be able to recommend grants. Many individuals get their children involved in charitable giving through their donor-advised funds.

Designate fund successors or charitable beneficiaries

You may name one or more successors or beneficiaries to your fund. A successor gains full responsibility for decisions relating to the fund upon the death of all the original donors, and has the authority to make contributions, recommend grants and name advisors and future successors. If you prefer, you can name a charity as the fund beneficiary to inherit either all of the remaining assets in the account or a percentage annually, upon the death of all original donors.

Select a charitable area of interest

To honor your charitable intent and in the event successors are unavailable or unable to make decisions, you need to indicate a charitable organization or area of interest you would like your grants to support. You could include a specific charitable organization, a university, a particular field of research (such as cancer or heart disease) or an area of interest (such as environmental protection or support for the arts).

In the event that your fund ceases to make grant recommendations for three consecutive years, RCF will make reasonable attempts to contact you or your

designated successors. If RCF cannot contact either, its trustees will direct grants from the fund, and will endeavor to support your charitable area of interest.

FUNDING YOUR DAF

The minimum initial contribution necessary to establish a 1st Source Bank Donor-Advised Fund is \$10,000. This irrevocable gift of cash, securities, or other appreciated assets will be made to Renaissance Charitable Foundation Inc. (RCF) the sponsoring charity of the 1st Source Bank Donor-Advised Fund.

Multiple assets and securities can be contributed to equal the minimum. Subsequent contributions must equal \$1,000 or more. You can fund your DAF in a number of ways:

Cash

Cash can be wired, transferred from an existing account or mailed to 1st Source. All checks must be payable to "Renaissance Charitable Foundation Inc."

Publicly traded stock, bonds and mutual funds

Publicly traded stocks, bonds and mutual funds can be transferred from your personal account to the RCF receiving account.

Please contact your trust administrator or call (800) 882-6935 for assistance to determine eligibility for any of the following assets:

- Restricted, closely held or non-publicly traded securities
- Real Estate
- Art or Other Collectibles

Deferred contributions

Your Fund can be named as the beneficiary of, and receive distributions from, a charitable bequest, charitable remainder trust, charitable lead trust, qualified retirement plan or private foundation. "Renaissance Charitable Foundation Inc." should be named for deferred contributions in care of the donor's fund in the 1st Source Bank Donor-Advised Fund. RCF will review and approve all contributions. Once your contribution has been accepted, you will receive a confirmation and a tax receipt for your records. If for any reason a contribution is not accepted, it will be returned to the account of origin.

No Fund, Donor or Grant Advisor is permitted to solicit contributions without specific prior written authorization from the President of RCF. The donor, or the donor's trust administrator, must initiate all transfers to Renaissance Charitable Foundation, Inc. When making additional contributions to an existing account, always complete an Additional Contribution Agreement, and when necessary, an Asset Transfer Request form.

GROW YOUR GIVING

Each time you make a contribution to your 1st Source Bank Donor-Advised Fund, the process below is followed for investing contributed assets:

Cash	Publicly traded stock, bonds and mutual funds
The net proceeds of cash contributed will be invested.	Securities, including mutual funds, may be either held or sold in accordance with RCF's investment policy. After RCF sells contributed securities, it invests the net proceeds.

Liquidation Policy:

In its sole discretion, RCF will determine the timing and execution of a sales strategy for any asset, including contributed assets, and reserves the right to sell at any time. Generally, RCF liquidates contributed assets only after associating a contribution with its donor. Some assets, such as large positions and shares traded on a foreign exchange, may take multiple trading days to liquidate. At its sole discretion, RCF may engage a third party broker or a trading desk to determine and execute a selling strategy. Any costs, including commissions, incurred in managing or liquidating an asset will be paid from the sale proceeds. Market fluctuations and costs to liquidate an asset may cause the net liquidation proceeds of a contributed asset to be worth more or less than the value of the contribution to the donor-advised fund.

Any income or gains within a donor-advised fund account resulting from investment growth are exempt from taxes but are not deductible.

APPROVED CHARITIES

Grants can be made to qualified charities and non-profit organizations that have been approved by the Internal Revenue Service (IRS) as able to receive tax-deductible contributions from a donor-advised fund.

Qualified Charities and Non-profits:

Public non-profits

Grants may be made to charities located anywhere in the United States that are recognized by the IRS as publicly-supported charities. Grants also may be made to private operating foundations.

Religious and educational

Most established religious organizations and educational institutions are not listed as 501(c)(3) nonprofits but are nevertheless tax-exempt charitable organizations. RCF will facilitate making grants to such organizations.

Foreign charitable organizations

RCF may make grants to foreign organizations provided the organization

agrees (in a written contract prepared by RCF) to use the money for charitable purposes, to track and report to RCF regarding the use of the grant and to return to RCF any money improperly spent. If applicable, fees may be charged to the account for any additional due diligence and processing costs.

Restrictions

Grants may not be made to a private non-operating foundation, to individuals or to a disqualified Supporting Organization. Additionally, grants may not be used to pay for membership fees, dues, tuition, benefit tickets or goods bought at auctions, nor may they be used to fulfill a pre-existing binding pledge to a charitable organization.

Grant Advisors may, without prior approval from RCF, engage in personal one-on-one solicitations of a friend to give a gift in accordance with the terms of this Donor's Guide so long as the gift is 100% deductible to the donor and there is zero value returned to the donor. Mass solicitations (sent to more than 10 persons at a time) are never allowed without specific prior approval.

Renaissance Charitable Foundation reserves the right to charge additional fees for extraordinary or special services. Non-exclusive examples of extraordinary and special services include: grants to foreign organizations; grants to Supporting Organizations described in §509(a)(3) of the Code; grants to organizations that have not yet obtained an IRS letter clarifying their §509(a) status; and if the Fund (with or without prior Foundation approval) engages in fundraising activity or produces an event such as a golf tournament.
